

The Illinois Law Enforcement Training and Standards Board is pleased to announce the recipients of the fiscal year 2011 Camera Grant's. The twelve statewide recipients are:

Berwyn Police Department
Cairo Police Department
DeKalb Police Department
Fulton County Sheriff's Office
Henderson County Sheriff's Office
Joliet Police Department
Madison County Sheriff's Office
Murphysboro Police Department
Saline County Sheriff's Office
South Chicago Heights Police Department
Tolono Police Department
Woodford County Sheriff's Office

The Board is pleased with the widespread interest in this program and the many applications submitted. To date, the Board has received over 1900 camera grant requests from 372 agencies statewide. Unfortunately, only 12 cameras could be awarded based on the appropriation levels granted to the Board in FY 2011.

As Public Act 94-0987 (the Camera Grant Act) does not allow for the Board to receive applications after January 2011, contingent upon appropriation, all agencies that submitted applications, but did not receive an award in fiscal years: 2008, 2009, 2010 and 2011, will be considered for future camera grant awards.
