Waiver Request Denied

Your request for a waiver of the Minimum Training Standards for the officer listed above has been **denied**. The officer **must complete** the Recruit Basic Training course within statutory time limits at one of the Board's certified training academies or mobile team units as applicable.

## **INSTRUCTIONS FOR COMPLETING THE REQUEST FOR WAIVER OF MINIMUM TRAINING STANDARDS**

To request a waiver of the minimum standards basic training course, the Agency Administrator must:

1. Identify the type of training waived by selecting Law Enforcement, Correctional or Court Security. (States Attorney investigators are classified under Law Enforcement).
  
2. Indicate the employment status by selecting full-time or part-time (Part-time employment is classified as 1,560 hours or less in any calendar year for one or more agencies, cumulative).

Place an "X" in the appropriate box(es) wherein copies of certificates are attached establishing the employee's previous training, education and experience.

**Read the certification/verification portion carefully.** Note that by signing the request, you are attesting to certain facts and a criminal and character background investigation has been conducted and completed. It may be necessary to provide a copy of the background investigation to the Board.

In order to complete the request, it is necessary to type your name (as agency administrator) and telephone number, sign and date the request. It is essential that the request for waiver of minimum training standards be accompanied by a "Notice of Appointment" (Form E). Those notices of appointment received without a waiver request will be placed in the "needs training" category, which may delay the process.

Please be reminded that full-time officers must be trained within six months of the date of hire. If a waiver is denied, the training must still be successfully completed during that six-month period. (A 90-day extension may be granted for good reason upon written request). The same conditions apply for part-time officers, but the training must be completed within 18 months of the date of hire.

When hiring an officer who has been trained and certified by an out-of-state board (POST), attach a signed Freedom of Information Release form, as we must independently verify certification. Officers transferring in from another state must complete the 40-Hour Illinois Mandatory Firearms Training Course, an Illinois Law for Police Course and the Illinois Law Enforcement Officers Equivalency Examination to become Illinois certified.
